

Release of Liability

The leadership of Morningstar Christian Academy is made up of those who have volunteered their time to organize activities for the group. Neither our group, nor its leaders, nor its members are liable for any injuries or damages, whether connected with Morningstar Christian Academy or not.

At all events, parents are completely responsible for their own child(ren). No child is permitted to attend any event without accompaniment and supervision.

If at any time a parent sends a child to an event without their personal accompaniment that child(ren) becomes the sole responsibility of the adult assigned to them. It is absolutely essential that the parent send a medical release notice with the child anytime the parent will not personally be present.

Any guests to a Morningstar Christian Academy event are the sole responsibility of the adult inviting them.

It is expected that any member or his child or guest who damages property or who causes injury, either willfully or through neglect, will take personal responsibility for his actions. Any person, whether member or not, who has such a claim will be directed to discuss the offense individually with the other party. If such disputes cannot be handled by the parties individually, we expect them to follow the requirements of Matthew 18:15-20.

Please make copies of the following Medical Consent Form. One copy is to be included with your enrollment forms. Please also include copies of your insurance cards. Please keep other copies to bring with you or send with your child if the situation arises.

My signature at the bottom of the Medical Consent Form indicates:

- ❖ *I acknowledge and fully understand that there are risks of injury during MCA activities and that severe injuries can occur.*
- ❖ *I assume all the foregoing risks and accept personal responsibility for the damages following injuries of myself, my child(ren) and/or guests.*
- ❖ *I release, waive and discharge all volunteers, leaders, organizers and helpers from liability for injury of any nature and property damages that may occur as a result of participating in MCA PSP.*
